# FALL *for* PARKS

TEXAS  
PARKS &  
WILDLIFE

**There's something special about fall in Texas.** The nights lengthen, the weather cools, and the mystery of nature beckons stronger than ever. Transformation is in the air, and as the sun sets, many parks transform into a celebration of the strange and spooky. Others tell stories of harvest and the history of our ancestors. Whatever it is that makes fall fun for you, you'll find it in a Texas State Park. Before attending any event, please check with the park to confirm applicable fees and charges, availability, and to ensure the event is still taking place. Visit [www.TexasStateParks.org/holidays](http://www.TexasStateParks.org/holidays) for the most up-to-date information on State Park holidays and promotions.
